

Amigurumi to crochet — price varies

Cute little mice and bears, tigers, penguins, foxes —you name it — they're **amigurumi**, small, stuffed yarn creatures that originated in Japan and are here now for you to crochet!

Look for our big display from Sirdar that features 10 wonderful pattern booklets with characters and creations around different themes. All use **Happy Cotton DK** yarn, which comes in little 47yd skeins and cheerful shades ranging from pastels to brights — perfect for amigurumi and other small multicolored knit or crocheted projects. Suggested hook size: E.

Purchase a pattern booklet for \$5.75 and yarn for \$2.00 per skein, plus tax (the amount of yarn you'll need will depend on which amigurumi you crochet). Or—if you'd like to try patterns using different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). Call 530-642-2270 or stop by the shop to pick up your kit!
