

Bandana Cowl Kit

to knit — \$22.50

This stunning **Bandana Cowl** from the designers at Purl Soho knits up super fast and easy with a single hank of **Andeamo** from Jody Long; Merchandising Manager Linda Schumacher knit this lovely sample for us. Suggested needle size: US 10 (16" circular).

Lightly spun with two plies, this luscious 85% wool, 15% alpaca yarn from Peru is a dream to knit with and will practically fly off your needles (or hook). We have it in a breathtakingly beautiful palette of saturated jewel tones; Andeamo is perfect for accessories, home furnishings, bulky sweaters — and our Kit of the Week (175yds/hank).

Kit includes printed pattern and a hank of Andeamo — in your choice of a rainbow of colors — for a total of just \$22.50 plus tax. Or—if you'd like to try this pattern with different yarn—we can help you put together a custom kit (price will vary depending on yarn selected).
