

Billow Cloud Cowl

to knit — \$25.50

This soft-as-a-cloud cowl pattern from designer **Anne Hanson** offers numerous choices: Knit it vertically, in the round, or begin with a provisional cast-on, work flat lengthwise, and join — or leave it flat and wear it as a scarf. It also comes with instructions for three sizes (the sample shown is size medium). Its openwork pattern is easy to memorize and a great project for those new to knitting lace. It makes a wonderful set paired with the Cirrus Mitts (Kit #2). Suggested needle size: US 8.

DK-weight **Malabrigo Caprino** is the yarn selected for this week's Kits of the Week by Merchandising Manager **Linda Schumacher**. This yarn is the latest addition to Malabrigo's line, a blend of 80% merino wool and 20% cashmere goat in beautiful, hand-dyed tonal colors (159yds/hank). You can make a cowl with just one hank.

The kit includes printed pattern plus one hank of Caprino for \$25.50 plus tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
