

## Butterfly Cowl Kit

*to knit — \$32.00*

This breathtakingly beautiful “over the head” **Butterfly Cowl** pattern from **MarinJaKnits** is actually a sampler of her full-size Butterfly/Papillon Shawl. Much more than something to go around your neck, it’s a wearable piece of art!

Working only one color at a time, you’ll use short rows to create the shapes with both yarn-over increases and M1R / M1L increases. **Berroco Farro**, a lightweight cotton/nylon blend with springy construction, forms the solid-color outlines on the “wings” (164yds/ball). The luminous, shifting colors in between are provided by **Plymouth Pendenza**, a self-stripping DK-weight yarn with long color changes and a lustrous sheen, spun of 100% Egyptian cotton (240yds/ball). Our lovely sample (above) was knit by Lofty Lady/education manager **Asha Paschal-Virlouvet**; see the next page for several other color possibilities for you to choose from (or come up with your own!). Suggested needle size: US 2.

Kit includes printed pattern and both yarns for \$32.00 plus tax. Or—if you’d like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call 530-642-2270 or stop by the shop to pick up your kit!
