

RIC-RAC SHAWL (to knit)

Casapinka has developed this beautiful shawl to celebrate brick and mortar shops on Local Yarn Shop Day. She's offering the Ric-Rac Shawl pattern for free if you purchase the yarn from Lofty Lou's yarn shop.

The pattern calls for two skeins (400 yards each) of fingering weight yarn and a size US6 needle. We've paired this shawl with Hedgehog Fibers Sock (437 yards/skein) which is a blend of 90% merino wool and 10% nylon. Hedgehog comes in some amazing, bright or subtle shades including speckles and variegated options that would work wonderfully on this project. Some color combinations are below.
