

Cosmic Girl

Shawl Kit to knit — \$85.68

Cosmic Girl, from designer **Nadia Crétin-Léchenne**, is a pretty triangular shawl worked on the bias, in one piece, from top to bottom. This easy, relaxing pattern features wide sections of garter stitch—sometimes with a few stripes—making it suitable for beginners yet fun for more experienced knitters. A lace section also adds charm and interest. Finished size: 75" long x 25" deep. Suggested needle size: US 6 (32").

To make your **Cosmic Girl Shawl**, you'll need 2 hanks of **Davos**, a new yarn from local indie dyer Lisa Souza. It's a fingering-weight blend of mulberry silk and washable merino wool that positively shimmers (540yds/hank). Merchandising Manager **Linda Schumacher** has selected a few possible color combos, but feel free to choose your own. Our thanks to Lofty Lady **Debi Henry** for knitting the lovely sample (shown above).

Kit includes printed pattern and 2 hanks of Davos for \$85.68, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
