

## Dancing Pinecones Wrap Kit *to crochet — \$41.00*

Continuing our series of kits featuring local yarns or patterns, this one is a “twofer,” with a pattern designed by **Linda Dean**, a nationally known crochet designer and instructor based in El Dorado County, and yarn dyed by the very talented **Lisa Souza**, whose studio is located just up the road from us.

Once again, Mother Nature has inspired Linda’s design, which features a double row of large airy pinecones that appear to twist and dance. Size 75” across shoulder x 12” tall. Skill: intermediate. Gauge: Not critical for this project. Suggested hook size: K

You’ll need just one hank of **Lisa Souza Weymouth**, a yarn that’s new to us but sure to become a favorite. Tonal and self-stripping, Weymouth is a lustrous sport-weight blend of mulberry silk and Bluefaced Leicester wool (434yds/hank).

Kit includes printed pattern and one hank of Weymouth for \$41.00, plus sales tax. Or—if you’d like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
