Now that you've finished all your holiday gift-crafting, how about starting something for yourself—like this cozy sweater from designer **Andrea Mowry**?

The **DRK** (DreaReneeKnits) **Everyday Sweater** came about as Andrea took the past year to slow down and reflect, and to make and wear timeless wardrobe staples she would reach for again and again. This seamless sweater is knit from the top down, so you can try it on as you go. The size-inclusive pattern comes in finished bust circumferences ranging from 34" to 66". Suggested needle sizes: US 5, 6 & 3.

The yarn selected by Merchandising Manager **Linda Schumacher** for this kit is **Berroco Providence**, a DK weight, tweedy yarn that's a delightful blend of merino wool, baby alpaca, and silk (191 yards).

The final cost of your sweater will depend on size (approximate yardage required: 980-2097yds). The pattern is \$8.00 and Providence yarn is \$13.50 per ball, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
