

KIT #1 — CHICKEN COOP COWL (to knit)

What a funny name for such a cute cowl! The unisex **Chicken Coop Cowl**, from designer Anne Hanson of Knitspot, works up quickly and you'll be reaching for it come cooler fall weather. It comes in three sizes and features simple knit/purl panels interspersed with cabled "fence posts." It's a great choice for those new to cables. Suggested needle size: US 4 (24").

KIT #2 — HENHOUSE HAT (to knit)

A cute cowl deserves an equally eye-catching hat. The light, warm, unisex **Henhouse Hat** can be knit in five sizes (XS-XL) to keep every member of the family cozy. It's worked in the round using simple knit/purl panels and the same cable "fence posts" as its companion cowl. Suggested needle sizes: US 1 (16") and US 3 (16" and double-point needles—or use two circulars or Magic Loop method).

Both cowl and hat are knit with **Timaru Sport**, a DK-weight version of popular Timaru, by Lisa Souza. It's a soft, silky, hand-dyed blend of wool and bamboo that's sport weight and comes 400yds/hank. One hank will make both of them.

Kit includes printed pattern(s) and one hank of Timaru Sport at a 15% discount this week only for \$32.00 (one pattern) or \$38.00 (both patterns) plus tax. Or—if you'd like to try this pattern with different yarn—we can help you put together a custom kit (price will vary depending on yarn selected).
