

Herbarium Shawl Kit

to knit — \$74.15

From designer **Lisa Hannes**, the glorious **Herbarium Shawl** is a large, sideways, bias-knit wrap that combines garter stitch, stripes, and a mosaic motif in reversing colors. You're guaranteed to never lose interest as you stitch away on this keepsake accessory.

To make your Herbarium, you'll use 2 hanks (1 each of 2 contrasting or complementary colors) of **Hedgehog Fibres Sock**. Its exquisite colorways, hand-dyed in Ireland by owner Beata Jezek and her talented team, make HHF a favorite of discriminating fiber-crafters. Just look at the gorgeous combos Merchandising Manager **Linda Schumacher**, who knit the sample above, has put together as suggestions. (Yarn is 90% superwash merino wool/10% nylon; 437yds/hank; suggested needle sizes: US 5 and 6.)

Kit includes pattern and 2 hanks of HHF Sock for just \$74.15, plus sales tax. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call **530-642-2270** or stop by the shop to pick up your kit!
