

Jelka Hat Kit to knit — \$33.00

Jelka, from designer **Isabell Kraemer**, is worked from brim to top, in the round. Using slip stitches, you'll be working with only one color on any given round, which means even a beginning knitter can achieve impressive-looking colorwork. The pom-pom is optional and fashioned last. Suggested needle sizes: US 5 & 6.

Merchandising Manager **Linda Schumacher** has paired this pattern with **Falkland Worsted**, from **Queensland Collection**. It's a worsted-weight yarn new to our shop that's spun from easy-care fine merino wool harvested from sheep that are ethically raised in the Falkland Islands (218yds/hank).

Kit includes a printed pattern and two hanks of Falkland Worsted (one of each color) for \$33.00, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
