

Keora Shawl Kit *to crochet* — \$45.00

Here's a lovely lace shawl for all you crocheters out there. By designer Tian Connaughton, the **Keora Shawl** will be a perfect piece for transitioning back to cooler weather. It begins with an easily repeatable lace edging made as wide or shallow as you like, then transitions to the double crochet body, cleverly shaped using short-rows. Skill level: Intermediate; suggested hook size: H.

You'll be making yours with **Malabrigo Arroyo**, a super-soft sport-weight yarn made of 100% superwash merino wool. With all the jewel-toned colorways, you'll find it hard to pick just one (335yds/hank). Tip: To ensure random color distribution, work from both balls of yarn at once, alternating a few rows from each ball.

Kit includes printed pattern and 2 hanks of Arroyo for \$45.00 plus tax. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call 530-642-2270 or stop by the shop to pick up your kit!
