

Kira Shawl Kit

to crochet — \$141.50

Wrap yourself in this big, bold shawl of contrasting or complementary colors this winter and you'll be ready to face the chilliest day!

You'll crochet this beauty from designer **Melissa Leapman** with one of our favorite yarns, **Moonshine** from **Juniper Moon Farm**. This buttery soft, worsted-weight confection of 40% wool, 40% alpaca, and 20% silk is stocked in so many luminous colors you might have trouble choosing — so Merchandising Manager Linda Schumacher has put together some suggestions below (197yds/hank). Suggested hook size: J.

Kit includes printed pattern and 6 hanks of Moonshine (2 each of 3 colors) for \$141.50 plus sales tax. At right are some lovely combos put together by our merchandising manager, **Linda Schumacher**, but feel free to come up with your own. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call **530-642-2270** or stop by the shop to pick up your kit!
