

# Lara Hat Kit

to knit — \$48.00

Named after designer **Kristel Nieves'** niece, the jaunty **Lara Hat** is a quick and fun project that can be easily knitted in an afternoon. A 3-round repeat pattern and contrasting colors of yarn give it interest and a pom-pom (make one from yarn, or purchase one of our faux fur pom-poms) tops it off perfectly.

The yarn chosen for this kit is **Rasta** from **Malabrigo**, a super-bulky, 100% merino wool that's soft, warm, and variegated — each kettle-dyed skein is truly one of a kind (90yds/hank). Our merchandising manager, **Linda Schumacher**, whipped up the sample (above) and has suggested some color combinations (right), or feel free to choose your own. Suggested needle sizes: US 11 (16"), Us 15 (16" plus US 15 double-pointed needles, or use 2 circulars or Magic Loop method).

Kit includes pattern and 2 hanks of Rasta (1 each of 2 colors) for \$48.00 (add \$20 if you opt for faux fur pom-pom, as shown in sample). Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call **530-642-2270** or stop by the shop to pick up your kit!

P.S. There's a matching **Lara Cowl** pattern available on Ravelry.
