

Love Lace Tee Kit *to knit — price varies*

This delightful **Love Lace Tee** from designer Amy Gunderson will easily take you into the warmest of summer days. Wear it over a tank with capris or a skirt, or toss it over a swimsuit for a cute coverup. It's worked in two pieces from the bottom up; neck and sleeve edging are added after the front and back pieces are complete. The stitch pattern is both written and charted.

The yarn we've selected is **Bamboo Pop** from Universal Yarns, a light and breezy, machine washable 50/50 cotton/bamboo blend that makes great warm weather projects for adults and kids. Because each fiber in the blend takes dye a little differently, the colors practically glow and the bamboo gives it lots of drape and stitch definition. We have it in a huge selection of brights and pastels, stripes and speckled (292yds/ball).

Kit includes printed pattern and 4-7 balls of Bamboo Pop for a total of \$37.00 to \$61.75 plus tax (price varies depending on size). Or— if you'd like to try this pattern with different yarn—we can help you put together a custom kit (price will vary depending on yarn selected).
