

Moroccan Dreams Beanie Kit *to knit — \$24.00*

This lovely colorwork beanie was designed by our very own marketing manager, **Denise Maudru**, as one of Lofty Lou's kit contributions to the **2021 Sierra Nevada Yarn Crawl**. The fingering-weight yarn she's used, **Jamieson's Shetland Spindrift**, which comes straight from the Shetland Isles of Scotland, is ideal for Fair Isle knitting (115yds/skein). You can choose from the color combinations above or make your own with an array of different colors. Suggested needle sizes: US 2 & 3 (16") and US 3 DPNs (or use 2 circular needles or Magic Loop technique).

Each **Moroccan Dreams Beanie Kit** includes printed pattern and 3 skeins of Spindrift in the color combination of your choice (we have a huge selection) for \$24.00, plus sales tax. To purchase your kit, call **530-642-2270** or stop by the shop!
