

Pina Wrap Kit to crochet — \$45.00

Another lovely combo from two local designers: One a crochet pro, the other a master dyer.

Nationally recognized crochet designer/instructor **Linda Dean** employs a light, airy row of dancing pineapple-stitch shapes that positively dance across this lovely wrap. It's a 1-skein project that is worked in 2 parts, starting in the center and after completing one side, working the other side outward from the same beginning foundation. Size: 80" across shoulder x 14" tall. Skill: Intermediate. Gauge: Not critical for this project. Suggested hook size: I.

For your own **Pina Wrap**, you'll need a single hank of **Davos**, a new fingering-weight yarn from super-talented indie dyer **Lisa Souza** that is a shimmering blend of mulberry silk and washable merino wool (540yds/hank).

Kit includes printed pattern and 1 hank of Davos for \$45.00, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
