

Shift Cowl Gift Kit *to knit* — \$65.00

What a charming gift — any knitter on your list (or you!) is sure to love this unique gift kit from Lofty Lou's!

It comes in a cute reusable pitcher and includes everything needed to knit the super-popular **Shift cowl**, but in yarns suitable for the upcoming warm weather.

Merchandising Manager Linda Schumacher has chosen coordinating shades of **Berroco Modern Cotton DK** and **Summer Sesame** to combine in the cowl, a sample of which she's knit for the shop. Modern Cotton DK is a luxurious blend of Pima cotton and Modal rayon (335yds/hank). Summer Sesame's bright, happy colors ebb and flow to make this cotton/acrylic/nylon blend the perfect counterpoint to the two solids (295yds/ball).

All this — yarn (2 hanks of Modern Cotton, 1 ball of Summer Sesame), needles, pattern, pitcher — for just \$65.00. Call 530-642-2270 or stop by the shop before supplies run out!
