Sierra Leaves Cowl Kit *to crochet — \$13.25*

For all you crocheters out there — this gorgeous cowl was designed by **Linda Dean**, who teaches many of our Crochet University classes. Linda is a Craft Yarn Council Certified Instructor and a Master of Advanced Stitches and Techniques as recognized by the Crochet Guild of America — in addition to being a nationally published designer with many patterns to her name.

Our landscape here is especially beautiful come autumn, when falling leaves dance across the foothills. They're captured in this cowl, which is worked flat and seamed together, and can be customized to be larger if desired. Skill: Intermediate. Size: 24" in circumference x 9" tall. Suggested hook size: J.

You'll need a single hank of **Elsebeth Lavold Silky Wool**, selected for its nubby, tweedy texture and deeply saturated colors. A luxury blend of wool, silk, and nylon, it's lightweight but warm (191yds/hank).

Kit includes printed pattern and a hank of Silky Wool for just \$13.25, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
