

Sugarfrost Infinity Scarf Kit

to knit — \$41.00

This lovely accessory from designer **Anne Hanson** gives you lots of options: knit it as an infinity scarf, flat scarf, or stole. Its undulating stitch pattern is accented by openwork panels and tiny nups (single-stitch bobbles), for which you may substitute beads or plain purl stitches. Whichever style you choose, finish it off with a straight or pointelle edging. Suggested needle size: US 5.

Merchandising Manager **Linda Schumacher** has paired **Sugarfrost** with lace-weight **Lisa Souza Montreaux**, a luxurious combo of superwash merino and silk that is perfect for lace projects like this. Deep or pastel, we have Montreaux in a wide variety of Lisa's distinctive colorways (1,085yds/hank).

The kit includes a printed pattern plus a hank of Montreaux for \$41.00. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call **530-642-2270** or stop by the shop to pick up your kit today!
