

## *Sweet Dreams* Shawl Kit to knit — \$77.54

Second in our series of shawls knit from yarns by local indie dyer **Lisa Souza** is this wrap from designer **Simone Eich** and knit for our shop by Merchandising Manager **Linda Schumacher**.

The shawl is a crescent-shaped triangle, which means it will stay in place when wrapped around your shoulders. It combines a variety of stitches and textures to keep things interesting as you knit from the top down, finishing the edge off with an i-cord. Size: wingspan 59", depth 21" (after blocking). Suggested needle size: US 6 (32").

Linda has put together two contrasting colorways of **Weymouth** (see below for 3 suggested combos selected by Linda — or feel free to choose your own). Weymouth is a lustrous sport-weight blend of mulberry silk and Bluefaced Leicester wool (434yds/hank).

Kit includes printed pattern and 2 hanks of Weymouth for \$77.54, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
