

Taku Cowl Kit *to knit* — \$34.50–\$91.50

Worn long, loose, and flowing or wrapped more closely around your neck, this lovely cowl from master designer **Anne Hanson** will serve you well in both warmer weather and cold. Lace newbie or pro, its reversible openwork pattern will keep you engaged, whether you opt for the long, 3-hank version or short, 1-hank cowl — or something in between. What a terrific gift this would make! Suggested needle size: US 5 (24”).

For this kit, you'll take your pick among 3 of our popular **Mountain Colors** fingering-weight yarns: **Grizzlyfoot**, **Bearfoot**, or **Crazyfoot**. Each comes in a plethora of variegated colorways inspired by the picturesque beauty of Montana that will add texture and depth to the cowl's wavy lace patterns. And each comes a generous 400-plus yards to the hank.

Kit includes printed pattern and yarn; depending on the size you choose, your kit will cost \$34.50, \$63.00, or \$91.50 plus tax. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected).
