

Tamarind Cowl Kit

to knit — \$45.00

Calling all intermediate to experienced knitters: Won't you (or a lucky recipient) look sharp this winter sporting this unique striped brioche cowl by **Jacob Seifert**?

You'll use a 2-color Italian cast on and bind-off (directions included for both). The dickie portions are knit first, flat, then joined to work in the round. Suggested needle size: US 8.

A single ball of **Noro Ito** does the trick, divided in half and started at different points in the color sequence. Its loosely plied, self-striping colors fade from one tonal shade to the next creating gorgeous colorwork. One of the iconic Japanese brand's most colorful creations, Ito is a slubby, worsted weight, 100% wool that comes in BIG 437- yard balls.

Kit includes printed pattern and a ball of Ito for \$45.00 plus sales tax. See below for some color possibilities. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected).
