

Templetop Revisited Hat + Cowl Kit

to knit — \$58.00

Think of how cozy and warm you — or a lucky recipient — will be come wintertime wearing this gorgeous colorwork hat and cowl set from designer Amy Gunderson! Both are worked in the round from the bottom up. Suggested needle sizes: US 5 (16" and 24"); US 7 (16" and 24" plus dpns, or use Magic Loop or 2 circular needles technique when you reach the top of the hat).

To make the set, you'll use 5 balls of **Deluxe Worsted Tweed Superwash** from Universal (218 yds/ball), a rustic blend of superwash wool, acrylic, and rayon. Our merchandising manager, Linda Schumacher, has put together a few possible color combos (the second one was used in the set that's pictured), or you can come up with your own. You'll use 2 balls of the main color, 2 of the first contrasting color, and 1 of the second color.

Kit includes printed pattern(s) and 5 balls of Tweed Superwash for \$58.00 plus tax. Or—if you'd like to try this pattern with different yarns—we can help you put together a custom kit (price will vary depending on yarn selected). Call **530-642-2270** or stop by the shop to pick up your kit!
