

# Christmas Tree Wall Hanging Kit

*to crochet — \$13.00*

**T**he original pattern by **Sierra Maeschen** calls for bulky macrame cord and a much larger hook, but Merchandising Manager **Linda Schumacher** made her mini hangings using **Berroco Modern Cotton DK**, so they're more of a size to suspend from a doorknob or on a tree. She followed the pattern using a crochet hook in size D, and made three smaller hangings from a single hank. The pattern also features a fringe, which she omitted.

The hangings are worked from the bottom up using simple techniques such as single crochet, double crochet, and bobbles. DK-weight Modern Cotton is a smooth blend of Pima cotton and modal rayon to show off the stitch patterns (209yds/hank).

Kit includes printed pattern and one hank of Modern Cotton for \$13.00, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
