

Via Carota Cowl Kit to knit — \$37.00

This lovely cowl from designer **Kristina Vilimaite** is worked flat on the bias, then seamed. The resulting accessory is almost like a mini shawl that's so easy to style and is guaranteed not to work loose. Suggested needle sizes: US 7 & 8 (24" or 32").

Merchandising Manager **Linda Schumacher**, who knit the sample above, has selected some combinations of **Malabrigo Washted** and **Rios** for this kit (or feel free to choose your own combos). You'll need one hank each of contrasting colors. Both single-ply Washted and 4-ply Rios are worsted-weight yarns spun from 100% superwash merino wool (210yds/hank).

The kit includes pattern and two hanks of either Washted or Rios for \$37.00, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
