

## Waffle Creams Socks Kit *to knit* — \$25.70

If a sweater's not your thing, perhaps you'd like to knit yourself a pair of comfy socks!

**Waffle Creams**, a top-down design from **Anne Hanson**, features a subtly textured background to highlight a pair of twisted cables running down both sides of the leg. The pattern comes in six sizes (XS-XXL) so you're sure to get the perfect fit. Suggested needle size: US 1.

Linda has selected **Malabrigo Sock** to pair with this pattern, and you'll find you need just a single hank of this soft, smoothly plied yarn spun from superwash merino wool. Shown at right are just some of the amazing colorways you'll find in store (440yds/hank).

Kit includes printed pattern plus one hank of Malabrigo Sock at a one-week discounted price of just \$25.70, plus sales tax. Or—if you'd like to try this pattern with a different yarn—we can help you put together a custom kit (price will vary depending on yarn selected). To purchase your kit, call **530-642-2270** or stop by the shop.
